A Note From the Artist

Twenty-one years ago I immigrated to the United States from Trinidad & Tobago. My dream has been not only to thrive in this country, but to give back and help others as well. Today I'm honored to invite you to join me to celebrate this incredible moment on the journey towards achieving my dream.

My solo art show is an example of what can be accomplished in the United States. With the love and support of friends and family, I announce "Silver Lining" – Art to Fight Cancer. I welcome you to visit this unique gallery exhibit and to be part of this important event.

Thank you for your support.
